Full Stack JavaScript Developer specializing in modern React applications and clean, user-focused interfaces. Skilled in building scalable front-end architectures and developing back-end functionality using Node.js, Express, and database technologies. Experienced in custom WordPress theme development and committed to delivering maintainable, high-quality solutions across the full web stack.

CORE COMPETENCIES

HTML5, CSS3, JavaScript(ES6+), React.js, Responsive Web Design(MUI,Bootstrap), Figma to UI Implementation (Pixel-Perfect Design), Express.js, Node.js, MongoDB, WordPress Development, Problem Solving & Debugging

EXPERIENCE

React Developer Intern   06/2025 – 08/2025
Connect Solutions
- Developed responsive and user-friendly web applications using React.js and modern JavaScript (ES6+).
- Built and maintained reusable components with props, hooks (useState, use Effect, useRef, use Reducer) to ensure scalability and performance.
- Performed debugging, code optimization, and testing to improve application performance and reliability.
- Worked with Git/GitHub for version control and collaborative development.
- Implemented state management using Context API and Redux Toolkit for efficient data handling.
- Translated Figma designs into pixel-perfect UIs with Material-UI (MUI) and Bootstrap.
- Collaborated with team members to integrate RESTful APIs and ensure smooth front-end and back-end communication.

WordPress Developer   10/2023 – 07/2025
Coding Pixel
- Demonstrated expertise in website development, focusing on responsive, user-centric designs to improve usability and engagement.
- Specialized in custom WordPress theme development, ensuring tailored solutions for diverse client needs.
- Converted Figma designs into pixel-perfect WordPress themes, maintaining accuracy and consistency.
- Collaborated with graphic designers and QA teams to streamline workflows and deliver high-quality outcomes.

Web Developer   04/2025 – 06/2025
Ittefaq Electrotech
- Developed and managed a custom WordPress website for Ittefaq Electrotech, ensuring functional and visually appealing design.

- Designed and implemented responsive layouts and custom WordPress themes to deliver seamless user experience across devices.
- Oversaw website maintenance, content updates, performance optimization, and technical support, ensuring smooth operation.
- Implemented basic SEO best practices to improve search engine visibility and ranking.
- Focused on high-quality code, scalability, and site management to meet client requirements and business goals.
